Initial Reports, Volume 138, Chapter 5, Figure 5: Comparison of GRAPE density records with downhole density logs. See text for discussion of depth convention.

Initial Reports, Volume 138, Chapter 6, Figure 1: GRAPE density records for Sites 844 through 854 vs. depth (mcd). For Sites 846 through 853, GRAPE density events A through S are indicated. For those sites having interpreted magnetic records, the magnetostratigraphy is shown.
