## Executive Committee (EXCOM)

James C. Briden  
*University of Oxford*  
Helmut Beiersdorf  
*Bundesanstalt für Geowissenschaften und Rohstoffe*  
G. Brent Dalrymple  
*Oregon State University*  
Robert S. Detrick  
*Woods Hole Oceanographic Institution*  
Robert A. Duce  
*Texas A&M University*  
Olav Eldholm  
*University of Oslo*  
David Falvey (JOI Office liaison)  
*Joint Oceanographic Institutions, Inc.*  
Paul Jeff Fox (Science Operator liaison)  
*Texas A&M University*  
Timothy J.G. Francis (Science Operator liaison)  
*Texas A&M University*  
Robert B. Gagosian  
*Woods Hole Oceanographic Institution*  
David Goldberg (WLS liaison)  
*Columbia University*  
Christophe G.A. Harrison  
*University of Miami*  
Donald F. Heinrichs (NSF liaison; ODPC liaison)  
*National Science Foundation (U.S.A.)*  
Robert B. Kidd (PCOM liaison; JOIDES Office liaison)  
*University of Wales*  
Yves P. Lancelot  
*LGQ/CNRS, CEREGE (France)*  
Margaret S. Leinen  
*University of Rhode Island*  
Brian T.R. Lewis (PCOM liaison)  
*University of Washington*  
Bruce Malfait (NSF liaison)  
*National Science Foundation (U.S.A.)*  
Larry A. Mayer  
*University of New Brunswick*  
John C. Mutter  
*Columbia University*  
Arthur Nowell  
*University of Washington*  
John A. Orcutt  
*University of California, San Diego*  
Philip D. Rabinowitz (Science Operator liaison)  
*Texas A&M University*  
C. Barry Raleigh  
*University of Hawaii*  
Bruce R. Rosendahl  
*University of Miami*

## Paul L. Stoffa

*University of Texas at Austin*

## Asahiko Taira

*University of Tokyo*

James D. Watkins (JOI Office liaison)  
*Joint Oceanographic Institutions, Inc.*

## Planning Committee (PCOM)

Robert B. Kidd  
*University of Wales*

Richard J. Arculus  
*Australian National University*

Jack G. Baldauf (Science Operations liaison)  
*Texas A&M University*

Wolfgang H. Berger  
*University of California, San Diego*

Robert M. Carter  
*University of Queensland*

J. Paul Dauphin (NSF liaison)  
*National Science Foundation (U.S.A.)*

Henry J.B. Dick  
*Woods Hole Oceanographic Institution*

David Falvey (JOI liaison)  
*Joint Oceanographic Institutions, Inc.*

Paul Jeff Fox  
*University of Rhode Island*

Timothy J.G. Francis (Science Operator liaison)  
*Texas A&M University*

David Goldberg (WLS liaison)  
*Columbia University*

Harlan Paul Johnson  
*University of Washington*

Hermann R. Kudrass  
*Bundesanstalt für Geowissenschaften und Rohstoffe*

Marcus G. Langseth  
*Columbia University*

Hans-Christian Larsen  
*Geological Survey of Denmark & Greenland*

Brian T.R. Lewis  
*University of Washington*

Bruce Malfait (NSF liaison)  
*National Science Foundation (U.S.A.)*

Judith McKenzie  
*ETH - Zentrum (Switzerland)*

Catherine Mével  
*Université Pierre et Marie Curie*

Alan C. Mix  
*Oregon State University*

Gregory F. Moore  
*University of Hawaii*

Gregory S. Mountain  
*Columbia University*

## James H. Natland

*University of Miami*

William W. Sager  
*Texas A&M University*

Thomas H. Shipley  
*University of Texas at Austin*

Kiyoshi Suyehiro  
*University of Tokyo*

Brian Taylor  
*University of Hawaii*

## Budget Committee (BCOM)

John A. Orcutt  
*University of California, San Diego*

Timothy J.G. Francis (Science Operator liaison)  
*Texas A&M University*

David Goldberg (WLS liaison)  
*Columbia University*

Susan Humphris  
*Woods Hole Oceanographic Institution*

Ellen S. Kappel (JOI Office liaison)  
*Joint Oceanographic Institutions, Inc.*

Robert B. Kidd (PCOM liaison)  
*University of Wales*

Margaret S. Leinen  
*University of Rhode Island*

Brian T.R. Lewis  
*University of Washington*

Robin P. Riddihough  
*Geological Survey of Canada*

Mary Reagan (WLS liaison)  
*Lamont-Doherty Earth Observatory*

Bruce R. Rosendahl  
*University of Miami*

Asahiko Taira  
*University of Tokyo*

## Downhole Measurements Panel (DMP)

Peter Lysne  
*Sandia National Laboratories (U.S.A.)*

Susan M. Agar (TECP liaison)  
*Northwestern University*

Dan Arnold  
*Katy, Texas (U.S.A.)*

Jean M. Bahr (SGPP liaison)  
*University of Wisconsin, Madison*

Millard F. Coffin (LITHP liaison)  
*University of Texas at Austin*

Gilles J. Dubuisson  
*Ecole Normale Supérieure*

Frank Filice  
*Lamont-Doherty Earth Observatory*

Andrew T. Fisher (LITHP liaison)  
*University of California, Santa Cruz*

Gerard J. Fryer  
*University of Hawaii*

\* Membership for period September 1994–October 1995; Legs 158–163.
