Material in this publication may be copied without restraint for library, abstract service, educational, or personal research purposes; however, republication of any portion requires the written consent of the Director, Ocean Drilling Program, Texas A&M University Research Park, 1000 Discovery Drive, College Station, TX 77845-9547, USA, as well as an appropriate acknowledgment of this source.

DISCLAIMER

Any opinions, findings, and conclusions or recommendations expressed in this publication are those of the author(s) and do not necessarily reflect the views of the National Science Foundation, the participating agencies, Joint Oceanographic Institutions, Inc., Texas A&M University, or Texas A&M Research Foundation.

ACKNOWLEDGMENTS

This volume was prepared under the auspices of the Ocean Drilling Program. The onerous task of preparing the slides was competently performed by Amy Weinheimer. We wish to thank Stanley Kling for providing some of the middle-latitude radiolarian residues and for his assistance in identifying some of the middle-latitude forms. The opening graphic was prepared by Jennifer Nigrini.

TABLE OF CONTENTS

ADDENDUM, 2001	
INTRODUCTION	1
SAMPLES	2
List of samples	4
Tropical latitude zonation	4
Middle latitude zonation	7
Specimen locations	8
Reference slides	8
ZONAL DEFINITIONS	68
Low latitude zonation	68
Middle latitude zonation	68
Radiolarian events	69
Figure 1. Comparison of some Pliocene-Pleistocene biozonations	70
Figure 2. Proposed radiolarian zonation, radiolarian events and paleomagnetic stratigraphy for the Pliocene-Pleistocene of the Tropical Indian Ocean	71
Figure 3. Miocene to Holocene range chart for DSDP Hole 438 (Leg 57, North Pacific)	74
Descriptions of low latitude zones	75
Quaternary	75
Pliocene	79
Pliocene/Late Miocene	81
Late Miocene	82
Middle Miocene	84
Early Miocene	86
Oligocene	90
Late Eocene	93
Middle/Late Eocene	95
Middle Eocene	96
Early/Middle Eocene	103

Early Eocene	104
Early Eocene/Paleocene	105
Paleocene	106
Descriptions of middle latitude zones	107
Pleistocene.	107
Pliocene.	110
Late Miocene.	112
Middle Miocene.	115
Early Miocene	117

RANGES AND AGES 118

Table 1. Ranges of low-latitude Neogene radiolarian zones	119
Table 2. Ranges of low-latitude Paleogene radiolarian zones	121
Table 3. Ranges of middle-latitude Neogene radiolarian zones	123
Table 4. Absolute ages of some low-latitude radiolarian events	124
Table 5. Low latitude radiolarian events	130
Table 6. Middle latitude radiolarian events	135

RADIOLARIAN SPECIES DESCRIPTIONS. 136

List of described species	137
Classification of described species	142
Species descriptions	151
